**Warning:** Customers who take credit facilities from Dubai Islamic Bank PJSC (DIB) must ensure timely payments to settle their outstanding amounts. This is critical to maintain good credit history at AECB (Al Etihad Credit Bureau) so that DIB is able to service customer's future banking needs. If you do not meet the payments on your credit card, your credit card account will go into arrears. This may affect your credit rating, which may limit your ability to avail financing in the future.
